**Subject:** FW: Lansing Rod and Gun Club - extension request (Docket No. RCRA-02-2016-7301) [IWOV-Active.FID1716645]

Ms. Hayden:

In an effort to keep USEPA up to date on the progress the Club is making, and to supplement our previous request for the pending extension request, we wanted to make you aware that the Club has concluded that a Special Use Permit from the Town of Lansing is not necessary for the range realignment and has communicated same to the Town Planning Board and the Town's counsel. The Club's use of the property since 1955 is a preexisting nonconforming use. Accordingly, the Club will proceed with the realignment forthwith subject to any applicable ministerial local approvals (e.g. building permits).

We will endeavor to apprise you of any further developments. In the meantime, please do not hesitate to contact us with any questions or concerns.

Thank you,  
Tom
